## What's Happening at BEMS

Hello Bakersfield!

I want to first start off by expressing how proud I am of all the growth that our current Kindergarten class has had this year. When we came back from April break, we started off the week by learning all about maps and why we use them. It is one of my favorite units as I love to see how excited students get when they discover just how big our world really is. Each Kindergartener completed a "Me on the Map" project that they were so proud of.

On Tuesday, Bakersfield hosted our Kindergarten Screening where I was able to meet each upcoming Kindergartner for the fall! It was such a pleasure to meet each student, and I look forward to being their teacher next school year!

-Ms. Tirrito
